

Yingkou International Commodity Exhibition and Trading Center

- Yingkou International Commodity Exhibition and Trading Center is one of the four offline exhibition centers of China International Import Expo.
- The building has 4 floors, each floor has about 7500m².
- The 2nd floor will be National Pavilions for different countries.
- The 2nd floor is about 5.4 meters high.
- Because of limited space, the National Pavilions will adopt *First Come, First Served* principle.
- The rent is 2 RMB yuan per m² per day (¥730/m²/year).
- A part of the tax paid can be used as rent (depend on the amount of tax payment, 5%-20% could be used as rent).
- Or, depend on the amount of tax payment, companies may enjoy 5%-20% tax refund.

More support policies are being formulated. We will give more policies to enterprises from Romania.
